

Georgina Love

Writer

Georgina is an up and coming Australian screenwriter currently based in the UK. She was recently selected for the Black List "Aussie List", where she was one of eleven writers offered a two step blind feature deal with Warner Bros. Other awards include the John Hinde Award by the Australian Writers' Guild, the Screencraft Screenwriters Fellowship, and a Scholarship by Final Draft to attend the Rocaberti Writers retreat in the south of France. Georgina was also one of fifteen recipients in the Smart For A Girl initiative run by Endemol Shine in conjunction with Screen Australia. Georgina writes offbeat character-driven genre, usually sci-fi, and is currently developing several projects for film and TV, including dark sci-fi feature, PIG, in which an experimental scientist raises a sentient pig as a mirror image of his dying son, but when Pig learns his "father's" plans have a sinister bent he fights to resist them....
