

BISHA K ALI

Writer

<http://www.bishakali.com/>

Bisha K Ali is a stand-up comedian and writer. Many of her scripts centre on millennial women of colour navigating the modern world and female friendships.

She has been selected as part of the 2018 BAFTA Elevate programme, which is a key BAFTA initiative helping to shape an inclusive and diverse workforce within the UK:

A rising star on the stand-up comedy circuit, she is best known for her incisive yet personal political comedy. She co-hosts the BBC Radio 4 Podcast GrownUpLand with Mae Martin and Ned Sedgwick, and features regularly on Deborah Frances-White's popular podcasts THE GUILTY FEMINIST and GLOBAL PILLAGE.

In 2012 Bisha took part in the Royal Court Theatre's Young Writers' Programme, and she has had numerous non-fiction and fiction articles published online, on sites including Standard Issue Magazine, The Huffington Post, Spontaneity Magazine and Knock Back Magazine.
