Key advisor in the following:

- **Script Consultancy:** Assist writers with technical detail and terminology.
- **Training:** Conducting training / Bootcamps and assisting with the selection of extras suitable for the production as well as training and advising lead cast.
- Work with all departments, including stunt co-ordinators and armourers to ensure the correct effect is achieved in a safe environment.
- Deliver a realistic look from present day battlefield drill and tactics to historical battles, Conversional forces, Special Forces and intelligence and law enforcement services from all nations.
