X @gemmagemsharvey

Gemma is an actor, writer and producer who has been interweaving their work as an Access Coordinator and Creative Coach for several years across Theatre, Film and TV.

‘Of course, awareness around access is ever evolving, so continuing to share information across the industry about the importance of recognising artists independent access needs and offering guidance to creative companies of how they can make their projects more inclusive is incredibly important.’

Gemma has deep experience in supporting learning disabled creatives and those across the autistic spectrum.
